MEMORANDUM FOR: Director of Central Intelligence

FROM : Richard Lehman
Acting Deputy to the DCI for National Intelligence

SUBJECT : Support to the President's Science Advisor

1. Action Requested: None; for your information only.

2. Background: You have noted Mr. Press' request for support from us on PRM 10. The US-Soviet technology net assessment is being handled by a task force chaired by Professor Ruina, Professor of Electrical Engineering at MIT. Your representative is [] Chairman of the Scientific and Technological Committee. Ruina is in close touch with Mr. Press. His task force is extremely active and a great deal of intelligence support is being supplied.

In addition, I have asked Julian to contact Press' office directly to see if he has any additional requirements that we could meet.
